RE: Pre-Demolition Survey Reports (PDSRs) for B881 Basement and 2nd Floor - Approval

Dear Mr. Legare:

The Colorado Department of Public Health and Environment, Hazardous Materials and Waste Management Division has reviewed the PDSRs for Building 881 Second Floor, Second Floor Mezzanine, and 881/883 Tunnel, Volume 1, Version 0 dated June 8, 2004, and B881 Basement Area, Volume 2, dated June 9, 2004. These PDSRs were received on June 28, 2004. Based on the information contained in these PDSRs, we are hereby approving these PDSRs for B881 Second Floor, Second Floor Mezzanine, 881/883 Tunnel, and Basement Area.

Although we are hereby approving these PDSRs for B881, we previously reviewed the draft PDSRs for these areas of B881 and agreed that they were sufficient to allow demolition activity to proceed as described in a Contact Record dated June 23, 2004.

If you have any questions regarding this correspondence please contact me at (303) 692-3367 or David Kruchek at (303) 692-3328.

Sincerely,

Steven H. Gunderson
RFCA Project Coordinator
